Weddings are our Speciality

Set on the banks of the River Glazert in intimate surroundings, our family run hotel has an abundance of character, quality and complete opulence that will complement the happiest day of your lives.

Since 1989 we have guided many hundreds of couples through their special day and we like to think that all those happy memories speak far louder than any advertisement ever could.

Our picturesque gardens and waterfall feature, Macintosh Suite, complete with it's own private reception lounge and patio area and over 25 years experience of co-ordinating wedding receptions have helped us develop a distinguished reputation in creating flawless weddings.

Each bedroom has been recently refurbished to the very highest standard and the en-suite bathrooms with LCD televisions or hydro massage shower ooze luxury.

We are sure we can create the perfect day personal to you.....
